- UEVP represents all veterinary practitioners.
- Promotes the issues which concern practitioners .
- lobbies through FVE to the appropriate bodies

Our President Piotr Kwiecinski

Union of European
Veterinary Practitioners

UEVP Board
2019 – 2021

- We have supported and promoted Equine Welfare Issues
- End of life for horses
- Transport issues
- Sport horse usage
- Responsible breeding
- Responsible keeping of donkeys

UEVP recommendations to FVE :

- Plant extract and essential oils: to lobby the commission for regulation
- Use of Cannabis: to lobby the EMA to put it under veterinary prescription
- Corporates: to be aware of the evolution of the situation
- ASF: to explore the field of vaccination
- EAEVE: recognition of the ESVT by the EU (commission, parliament and council)
- Mandatory identification and registration of pets in Europe
- Continue work on animal welfare issues
- Be prepared for digitalization and artificial intelligence outcomes
- Close collaboration between vets and farmers

As well as other important issues very relevant to Veterinary Practitioners

Mental wellbeing of practitioners and all of the practice team

And currently

The European Court ruling on the recent case regarding

the Articles of Association/ Orders of individual countries

which states that veterinary practices can only be owned by vets

General Assembly

We plan to introduce **HOT TOPICS** into the General Assembly

This will give Associations the opportunity to present a current issue

And then the GA will have time to discuss and debate their concern
